

Celebrating 100 years of  
the 19th Amendment

Lucy Burns  
(1879 - 1966)

"I think, with  
never-ending  
gratitude,  
that the  
young women of  
today do not and  
can never know  
at what price  
their right to  
free speech and  
to speak at all in  
public has been  
earned."

THE SUFFRAGE PROJECT

19

The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of sex. Congress shall have power to enforce this article by appropriate legislation.
