In response to the Special Master's September 16, 2021 Order Regarding Remote Trial Protocols, the State of New Mexico provides the following REVISED exhibit disclosures and objections for Dr. Jennifer Stevens. As of this filing, the parties anticipate that Dr. Stevens is expected to testify on October 19 and October 20, 2021. Accordingly, the State of New Mexico provides the following:

**Attachment 1:** The Jennifer Stevens direct-examination exhibit index, which identifies the States of Texas's and Colorado's and the United States of America's objections.

**Attachment 2:** The Jennifer Stevens cross-examination exhibit index, which identifies the State of New Mexico's objections.

All exhibits, indexes, and related exhibits have been uploaded to Box.com and are available for the parties to access and download. In an effort to resolve these objections, the parties have met and conferred in good faith.
