In response to the Special Master's September 16, 2021 Order regarding Remote Trial Proceedings, the State of Texas provides the following exhibit disclosures and objections for John Balliew. As of this filing, the parties anticipate that Mr. Balliew is expected to testify on October 12, 2021. Accordingly, the State of Texas provides the following:

Attachment 1: The John Balliew direct-examination exhibit index, which identifies the State of New Mexico's objections.

Attachment 2: The John Balliew cross-examination exhibit index, which identifies the State of Texas's and the United States's objections.

All exhibits, indexes, and related exhibits have been uploaded to Box.com and are available for the parties to access and download. In an effort to resolve these objections, the parties have met and conferred in good faith.

Respectfully submitted,
