COMES NOW the State of Colorado and provides the following status report. Colorado provides this report at the invitation of the Special Master on the proposed revisions to the Case Management Plan filed on September 6, 2018.

Paragraph 7.2.1.1: Colorado reiterates its request that in granting amici access to produced documents, the Case Management Plan indicate that their access to and use of documents is subject to the privilege provisions in paragraph 7.2.3 and confidentiality provisions in paragraph 11 of the Case Management Plan. Colorado also notes that, while it intends to cooperate with the other parties and meet production deadlines, it has not yet finalized an agreement to use the Veritech “electronic vault.”

Respectfully submitted this 7th day of September 2018,
