OFFICE OF THE SPECIAL MASTER

ORDER

ORDER

For the purposes of the proceedings before the Special Master, IT IS
HEREBY ORDERED:

My judicial assistant received a telephone call from one of the parties to this litigation asking for clarification of the Order on the agenda for the April 2, 2019, hearing. Specifically, the question raised was whether the time allotted for each of the parties was per motion (that is, motion for partial summary judgment, motion to determine law of the case and motion to strike) or whether that was the total time for all motions. It was my anticipation that the time set out in the scheduling Order would be the time for all the motions combined. However, if the parties believe that that will be inadequate, they should advise the undersigned by Friday, March 22, 2019, and I will give the matter further consideration.
