NOTICE TO COUNSEL

Attorney Lana E. Marcussen of Phoenix, Arizona, contacted my office, indicating she had information which is relevant to this case. I directed my assistant to advise Ms. Marcussen that if she had any information that she felt should be brought to the attention of either the Supreme Court, the Special Master or attorneys, she should make an appropriate filing. Ms. Marcussen has now submitted a cover letter and two documents which I have directed Mr. Gans to file.

My initial review of the documents indicate that the documents do reference the Boyd Estate. I note from Ms. Marcussen's cover letter that some parties to this litigation may already be aware of these documents and have copies. I do not know if the documents have any relevance to the pending motion to intervene by the Boyd Estate or any other matter before the Court. In any event, I am bringing these matters to your attention. I am not asking at this time that any party respond to the documents or file any supplemental briefs or arguments. To the extent that any party believes that the documents may be relevant to any issue pending before either the Supreme Court or the Special Master, they are free to respond.

Dated: September 3, 2019.
