Appeal from the United States
District Court for the District
of Minnesota.

[UNPUBLISHED]

Submitted: December 12, 2000

Filed: December 19, 2000

Before LOKEN, HEANEY, and FAGG, Circuit Judges.

PER CURIAM.

Francisco Silva-Perez appeals his conviction for conspiracy to distribute and aiding and abetting the possession of illegal drugs. Silva-Perez argues the evidence was insufficient to convict him of either crime and there was a fatal variance between the indictment and the evidence. Having carefully considered the briefs, the record, and the applicable law, we conclude Silva-Perez's arguments are meritless and thus affirm Silva-Perez's conviction. See 8th Cir. R. 47B.
