Appeal from the United States
District Court for the Eastern
District of Missouri.

[UNPUBLISHED]

Submitted: November 5, 2001
Filed: November 14, 2001

Before WOLLMAN, Chief Judge, BOWMAN, and LOKEN, Circuit Judges.

PER CURIAM.

George Lamb appeals the District Court's¹ pre-service dismissal of his diversity action against Caremark and two of its employees, in which he alleged that defendants refused to provide him with a brand-name medication and insisted he take the generic equivalent instead, manufacturing a letter in which they claimed to have obtained the approval of Lamb's doctor. After careful review, we conclude that the Court properly dismissed his complaint under 28 U.S.C. § 1915(e)(2)(B)(i).

¹The Honorable Jean C. Hamilton, Chief Judge, United States District Court for the Eastern District of Missouri.

Accordingly, we affirm. See 8th Cir. R. 47A(a).
