Appeal from the United States
District Court for the
Eastern District of Arkansas.

[UNPUBLISHED]

Submitted: March 7, 2006
Filed: March 20, 2006

Before RILEY, MAGILL, and GRUENDER, Circuit Judges.

PER CURIAM.

Guy Moon appeals the district court's¹ order dismissing his civil complaint, wherein he asserted claims of fraud and racketeering against defendants for their alleged role in thwarting Moon's challenge to the sale of certain real property in Chicot County, Arkansas. Following careful review, we agree with the district court that Moon's claims are barred by the Rooker-Feldman² doctrine. See Exxon Mobil Corp. v. Saudi Basic Indus. Corp., 544 U.S. 289, 125 S. Ct. 1517, 1521-22 (2005). We also find no abuse of discretion in the denial of Moon's recusal motion, and no error in the district court's consideration of matters outside the pleadings. See Trammel v. Simmons First Bank of Searcy, 345 F.3d 611, 612-13 (8th Cir. 2003); Harris v. P.A.M. Transport, Inc., 339 F.3d 635, 637-38 & n.4 (8th Cir. 2003).

Accordingly, we affirm. See 8th Cir. R. 47B.

¹The Honorable James M. Moody, United States District Judge for the Eastern District of Arkansas.

²See Rooker v. Fid. Trust Co., 263 U.S. 413 (1923); D.C. Court of Appeals v. Feldman, 460 U.S. 462 (1983).
