Appeal from the United States
District Court for the
District of South Dakota.
[UNPUBLISHED]

Submitted: March 30, 2007

Filed: April 9, 2007

Before WOLLMAN, MELLOY, and GRUENDER, Circuit Judges.

PER CURIAM.

Ronald Totaro appeals the district court's¹ denial of his motions for a sentence reduction, release pending appeal, discovery, and disqualification of the district court judge. After careful review, we find no error in the denial of these motions, and thus we affirm the denial. See 8th Cir. R. 47A(a). We modify the district court's August 24, 2006 order, however, to strike that portion which prohibits the Clerk of the Court from accepting any future filings from Totaro in the case. We also deny Totaro's pending motion to set a briefing schedule.

¹The Honorable Richard H. Battey, United States District Judge for the District of South Dakota.
