Before BYE, RILEY, and MELLOY, Circuit Judges.

PER CURIAM.

Inmate David Williams appeals following the district court's¹ adverse grant of summary judgment in his 42 U.S.C. § 1983 lawsuit. Having carefully reviewed the record, we find no basis for overturning the district court's well-reasoned opinion. See Johnson v. Blaukat, 453 F.3d 1108, 1112 (8th Cir. 2006) (standard of review). Accordingly, we affirm. See 8th Cir. R. 47B. We also deny Williams's motion to supplement the record.

¹The Honorable J. Leon Holmes, Chief Judge, United States District Court for the Eastern District of Arkansas, adopting the report and recommendations of the Honorable H. David Young, United States Magistrate Judge for the Eastern District of Arkansas.
