Before BENTON, BOWMAN, and STRAS, Circuit Judges.

PER CURIAM.

Arkansas inmate Juan Carlos Rodriguez appeals from the order of the District Court¹ granting summary judgment to defendants in his action under 42 U.S.C. § 1983 and the Americans with Disabilities Act. Viewing the record in the light most favorable to Rodriguez and drawing all reasonable inferences in his favor, we conclude that summary judgment was warranted. See Peterson v. Kopp, 754 F.3d 594, 598 (8th Cir. 2014) (standard of review). We affirm.

¹The Honorable Brian S. Miller, Chief Judge, United States District Court for the Eastern District of Arkansas, adopting the report and recommendations of the Honorable Patricia S. Harris, United States Magistrate Judge for the Eastern District of Arkansas.
