Defendants - Appellees

Appeal from United States District Court
for the District of Minnesota

Submitted: June 25, 2020

Filed: June 29, 2020

[Unpublished]

Before LOKEN, GRUENDER, and BENTON, Circuit Judges.

PER CURIAM.

Hollis Larson and Guy Greene appeal from the adverse grant of summary judgment in their 42 U.S.C. § 1983 action. Having carefully reviewed the record de novo and the arguments on appeal, we conclude that the district court¹ properly granted summary judgment because there were no genuine disputes as to material facts and appellants were entitled to judgment as a matter of law. See Brooks v. Roy, 776 F.3d 957, 960 (8th Cir. 2015) (standard of review); see also Scott v. Harris, 550 U.S. 372, 380 (2007). Accordingly, the judgment of the district court is affirmed. See 8th Cir. R. 47B.

¹The Honorable Nancy E. Brasel, United States District Judge for the District of Minnesota, adopting the report and recommendations of the Honorable Elizabeth Cowan Wright, United States Magistrate Judge for the District of Minnesota.
