

United States Court of Appeals
For the Eighth Circuit

No. 20-1505

Lucretia A. Penn

Plaintiff - Appellant

v.

State Farm Mutual Automobile Insurance Company

Defendant - Appellee

Appeal from United States District Court
for the Eastern District of Missouri - St. Louis

Submitted: January 29, 2021

Filed: February 9, 2021

[Unpublished]

Before KELLY, MELLOY, and GRASZ, Circuit Judges.

PER CURIAM.

In this diversity action, Lucretia Penn challenged the denial of coverage for insurance claims. She now appeals following the district court's¹ adverse grant of summary judgment on her claims for breach of contract.

After careful review of the record and the parties' arguments on appeal, we find no basis for reversal. See Smith v. Toyota Motor Corp., 964 F.3d 725, 728 (8th Cir. 2020) (de novo review of grant of summary judgment; this court applies state substantive law in diversity case). Accordingly, we affirm. See 8th Cir. R. 47B. We also deny Penn's pending motion to supplement her reply brief.

¹The Honorable Rodney W. Sippel, Chief Judge, United States District Court for the Eastern District of Missouri.
