PER CURIAM.

In these consolidated appeals involving three separate 28 U.S.C. § 2241 habeas proceedings, Michael Fiorito challenges the district court's<sup>1</sup> November 2, 2022 order denying his petitions, all of which asserted claims related to his confinement at the Federal Correctional Institution in Sandstone, Minnesota, between September 2021 and May 2022. Having carefully reviewed the record, including Fiorito's current position that his conditions-of-confinement claims and his claims related to his confinement in the Special Housing Unit are moot, we dismiss Appeal Nos. 23-1006 and 23-1007. As to Appeal No. 23-1008, we affirm the denial of relief for the reasons explained by the district court. See 8th Cir. R. 47B. We also deny as moot Fiorito's pending motion to supplement the record.
