Defendants - Appellees

Appeal from United States District Court
for the District of Nebraska - Omaha

Submitted: February 13, 2024
Filed: February 16, 2024
[Unpublished]

Before SHEPHERD, STRAS, and KOBES, Circuit Judges.

PER CURIAM.

Marvel Jones appeals the district court's¹ orders dismissing some of his claims, and granting summary judgment for defendants on the remaining claims, in his pro se 42 U.S.C. § 1983 action. Having carefully reviewed the record and the parties' arguments on appeal, we find no basis for reversal. See Graham v. Barnette, 5 F.4th 872, 881 (8th Cir. 2021) (de novo review of grant of summary judgment); Stockley v. Joyce, 963 F.3d 809, 816 (8th Cir. 2020) (de novo review of order granting motion to dismiss); Kaden v. Slykhuis, 651 F.3d 966, 968 (8th Cir. 2011) (per curiam) (de novo review of dismissal under 28 U.S.C. § 1915).

The judgment is affirmed. See 8th Cir. R. 47B.

¹The Honorable Brian C. Buescher, United States District Judge for the District of Nebraska.
