Appeal from United States District Court
for the Eastern District of Arkansas - Northern

Before SMITH, BENTON, and GRASZ, Circuit Judges.

PER CURIAM.

William Stillman appeals following the district court's¹ adverse grant of summary judgment for failure to exhaust administrative remedies. Having jurisdiction under 28 U.S.C. § 1291, this court affirms.

After careful de novo review of the record and the parties' arguments on appeal, this court finds no basis for reversal. *See King v. Iowa Dep't of Corr.*, 598 F.3d 1051, 1052 (8th Cir. 2010) (standard of review). It is clear from the record that Stillman's grievance was not decided on the merits but was denied because it was untimely. *See Woodford v. Ngo*, 548 U.S. 81, 90 (2006) (grievances must be timely filed to exhaust).

The judgment is affirmed. *See* 8th Cir. R. 47B.

¹The Honorable James M. Moody Jr., United States District Judge for the Eastern District of Arkansas.
