

United States Court of Appeals
For the Eighth Circuit

No. 24-1436

United States of America

Plaintiff - Appellee

v.

Tyrone Davis, also known as Tyrone D. Davis

Defendant - Appellant

Appeal from United States District Court
for the Eastern District of Missouri - St. Louis

Submitted: June 26, 2024

Filed: July 1, 2024

[Unpublished]

Before LOKEN, GRUENDER, and STRAS, Circuit Judges.

PER CURIAM.

Tyrone Davis appeals after the district court¹ denied his motion for a sentence reduction under Guidelines Amendment 821. See 18 U.S.C. § 3582(c)(2).

¹The Honorable Stephen R. Clark, Chief Judge, United States District Court for the Eastern District of Missouri.

Upon careful review, we conclude that the district court did not abuse its discretion in denying relief. See United States v. Tollefson, 853 F.3d 481, 485 (8th Cir. 2017) (standard of review). The court's Order Regarding Motion for Sentence Reduction demonstrates that it was aware of and considered the relevant factors, including the sentencing factors in 18 U.S.C. § 3553(a). See United States v. Rodd, 966 F.3d 740, 748 (8th Cir. 2020).

Accordingly, we grant counsel's motion to withdraw, and affirm.
