

United States Court of Appeals
For the Eighth Circuit

No. 24-3357

United States of America

Plaintiff - Appellee

v.

Blake M. Knievel

Defendant - Appellant

Appeal from United States District Court
for the District of Nebraska - Omaha

Submitted: February 11, 2025

Filed: February 14, 2025

[Unpublished]

Before LOKEN, BENTON, and ERICKSON, Circuit Judges.

PER CURIAM.

Blake Knievel appeals the district court's¹ denial of his motion for a sentence reduction under 18 U.S.C. § 3582(c)(1)(A)(i). Upon careful review, we conclude that

¹The Honorable Robert F. Rossiter, Jr., Chief Judge, United States District Court for the District of Nebraska.

the court did not err in finding that Knievel failed to establish extraordinary and compelling reasons warranting a sentence reduction. See United States v. Marcussen, 15 F.4th 855, 858 (8th Cir. 2021).

Accordingly, we grant counsel's motion to withdraw and affirm.
