Before SHEPHERD, ERICKSON, and KOBES, Circuit Judges.

PER CURIAM.

In this trust litigation, Eli Stiny appeals following the district court's¹ denial of a request for an accounting and the court's order approving the sale of certain trust property. Having carefully reviewed the record and the parties' arguments on appeal, we find no basis for reversal. Accordingly, we affirm. See 8th Cir. R. 47B.

¹The Honorable D.P. Marshall Jr., United States District Judge for the Eastern District of Arkansas.
