

United States Court of Appeals
For the Eighth Circuit

No. 26-2280

United States of America

Plaintiff - Appellee

v.

Justin Joseph Halter

Defendant - Appellant

Appeal from United States District Court
for the Southern District of Iowa - Eastern

Submitted: October 13, 2026

Filed: October 16, 2026

[Unpublished]

Before LOKEN, SHEPHERD, and ERICKSON, Circuit Judges.

PER CURIAM.

Justin Halter appeals after the district court¹ revoked his supervised release. His counsel has moved for leave to withdraw and has filed a brief challenging the revocation sentence as substantively unreasonable.

Upon careful review, we conclude that the district court did not abuse its discretion in sentencing Halter, as it properly considered the relevant 18 U.S.C. § 3553(a) factors, see United States v. Miller, 557 F.3d 910, 917 (8th Cir. 2009) (standard of review), and the sentence was within the advisory Guidelines range and below the statutory limit, see 18 U.S.C. § 3583(e)(3). Accordingly, we grant counsel's motion to withdraw and affirm.

¹The Honorable Stephen H. Locher, United States District Judge for the Southern District of Iowa.
